§ 901.1 Title and office.

(a) *Title.* The name of the Corporation is the Pennsylvania Avenue Development Corporation.

(b) *Office.* The office of the Corporation shall be in the city of Washington, District of Columbia.

§ 901.2 Establishment.

(a) *Creation.* The Corporation, a wholly owned instrumentality of the United States subject to the Government Corporation Control Act (31 U.S.C. 841 *et seq.*), was established by the Pennsylvania Avenue Development Corporation Act of 1972 (Pub. L. 92-578, 86 Stat. 1266 (40 U.S.C. 871 *et seq.*)), as amended, hereinafter referred to as *the Act*.

(b) *Purposes.* The purposes for which this Corporation was established are those stated and promulgated by Congress in the Act.

§ 901.3 Board of directors.

(a) *Powers and responsibilities.* The business, property and affairs of the Corporation shall be managed and controlled by the Board of Directors, and all powers specified in the Act are vested in them. The Board may, at its discretion and as hereinafter provided, delegate authority necessary to carry on the ordinary operations of the Corporation to officers and staff of the Corporation.

(b) *Composition; number; selection; terms of office.* The Board of Directors shall be comprised of fifteen voting members and eight nonvoting members. The powers and management of the Corporation shall reside with the fifteen voting members, and the proce-

dures of the Board shall be determined by them.

(1) The fifteen voting members shall include the seven government agency representatives specified in subsection 3(c) of the Act (or, their designees), and eight individuals meeting the qualifications of that subsection, appointed by the President of the United States from private life, at least four of whom shall be residents and registered voters of the District of Columbia.

(2) The Chairman and Vice Chairman shall be designated by the President of the United States from among those members appointed from private life.

(3) Upon his appointment, the Chairman shall invite the eight representatives designated in subsection 3(g) of the Act to serve as non-voting members of the Board of Directors.

(4) Each member of the Board of Directors appointed from private life shall serve a term of six years from the expiration of his predecessor's term; except that the terms of the Directors first taking office shall begin on October 27, 1972 and shall expire as designated at the time of appointment. A Director may continue to serve until his successor has qualified.

(5) A Director appointed from private life wishing to resign shall submit a letter of resignation to the President of the United States, and his resignation shall become effective upon the date of the President's acceptance thereof.

(6) A Director, appointed to fill a vacancy occurring prior to the expiration of the term for which his predecessor was appointed, shall serve for the remainder of such term.

(c) *Meetings.* (1) The Board of Directors shall meet and keep its records at the office of the Corporation.

(2) Meetings of the Board of Directors shall be held at the call of the Chairman, but not less often than once every three months. The Chairman shall also call a meeting at the written request of any five voting members.

(3) The Chairman shall direct the Secretary to give the members of the Board notice of each meeting, either personally, or by mail, or by telegram, stating the time, the place and the agenda for the meeting. Notice by telephone shall be personal notice. Any Director may waive, in writing, notice as

to himself, whether before or after the time of the meeting, and the presence of a Director at any meeting shall constitute a waiver of notice of that meeting. Notice, in whatever form, shall be given so that a Director will have received it five working days prior to the time of the meeting.

(4) Unless otherwise limited by the notice thereof, any and all Corporation business may be transacted at any meeting.

(5) The Chairman shall preside at meetings of the Board of Directors, or the Vice Chairman in the absence of the Chairman. In the event of the absence of both the Chairman and the Vice Chairman, the Directors present at the meeting shall designate a Presiding Officer.

(d) *Quorum*. The presence of a majority of the number of voting Directors serving at the time of a meeting of the Board shall constitute a quorum for the transaction of business at such meeting of the Board. The act of a majority of the voting Directors at any meeting at which there is a quorum shall be an act of the Board of Directors. If there shall be less than a quorum at any meeting, a majority of the voting Directors present may adjourn the meeting until such time as a quorum can practically and reasonably be obtained.

(e) *Directors serving in stead*. Each member of the Board of Directors specified in paragraphs (1) through (7) of subsection 3(c) of the Act, if unable to serve in person, may designate up to two officials from his agency or department to serve on the Board in his stead. Such designation shall be effected by a letter of appointment, from the Director specified in the Act, received by the Chairman prior to or at a meeting of the Board of Directors. If two officials are so designated, then the Director specified in the Act shall identify one as the First Designee and the other as the Second Designee. The Second Designee may only serve as a Director if the First Designee is not in attendance at a meeting of the Board of Directors. An official designated to serve in stead shall serve as the voting Director of the represented agency until the Chairman receives written notice from the Director specified in

the Act, or his successor, that the designation is rescinded.

(f) *Vote by proxy*. Voting members of the Board of Directors unable to attend a meeting may vote by proxy on resolutions which have been printed in the agenda in advance for the meeting.

(1) A Director unable to attend a meeting of the Board may submit a vote to be cast by the Presiding Officer by means of a written signed statement of his vote and the resolution to which it pertains together with any statement bearing on the matter the Director wishes to have read. The proxy vote shall be submitted to the Chairman with a separate signed copy to the Secretary, to be received not later than the close of business of the day prior to the date fixed for the meeting.

(2) The Presiding Officer shall cast proxy votes received by the Chairman in the following manner:

(i) Upon the close of discussion on a resolution for which there has been submitted one or more valid proxy votes, the Presiding Officer shall announce that he holds proxy vote(s) from named Director(s), and shall read any explanatory statements submitted by the Director(s) voting by proxy;

(ii) The Presiding Officer shall take the vote of the Directors present and then declare the proxy votes in hand;

(iii) The Secretary shall orally verify the validity of the votes submitted to be cast by proxy, and shall record them with the votes cast by the Directors present on the resolution.

(3) Proxy votes shall not be utilized to effect the presence of a quorum.

(g) *Compensation of Directors*. Members of the Board of Directors shall be compensated in the manner provided in section 3 of the Act.

(b) Statements of the general course and method by which the Corporation's functions are channeled and determined, including the nature and requirements of all formal and informal procedures available;

(c) Rules of procedure, descriptions of forms available, and instructions as to the scope and contents of all papers, reports, or examinations;

(d) Substantive rules of general applicability adopted as authorized by law, and statements of general policy or interpretations of general applicability; and,

(e) Each amendment, revision, or repeal of the foregoing.

§ 902.21

§ 902.21 Publication in the Federal Register shall be constructive notice of information that affects the public.

(a) All material described in § 902.20 shall be published in the FEDERAL REGISTER. For the purpose of this section, material that is reasonably available to the class of persons affected by it is considered to be published in the FEDERAL REGISTER when it is incorporated by reference with the approval of the Director of the Federal Register.

(b) Publication in the FEDERAL REGISTER of all relevant information shall be considered constructive notice of information that affects the public, except that no person shall be required to resort to or be adversely affected by any matter which is required to be published in the FEDERAL REGISTER and is not so published unless such person has actual and timely notice of the terms of the unpublished matter.

Subpart D—Availability of Records Not Published in the Federal Register

§ 902.30 Applicability.

(a) This subpart implements section 552(a)(2) of title 5 U.S.C., as amended by 88 Stat. 1561 (1974). It prescribes the rules governing the availability for public inspection and copying of the following:

(1) Final opinions or orders (including concurring and dissenting opinions, if any) made in the adjudication of cases;

(2) Statements of policy or interpretations which have been adopted under the authority of the Corporation's enabling act, including statements of policy or interpretation concerning a particular factual situation. If they can reasonably be expected to have precedential value in any case involving a member of the public in a similar situation, and have not been published in the FEDERAL REGISTER.

(3) Administrative staff manuals or instructions to the staff of the Corporation which affects any member of the public. Included within this category are manuals or instructions which prescribe the manner or performance of any activity by any person. Excepted from this category are

36 CFR Ch. IX (7-1-11 Edition)

staff manuals or instructions to staff concerning internal operating rules, practices, guidelines and procedures for Corporation negotiators and inspectors, the release of which would substantially impair the effective performance of their duties.

(4) Documents and materials offered for sale under the auspices of the Corporation.

(5) Any index of materials which is required to be maintained by the Corporation under § 902.13.

(b) Records listed in paragraph (a) of this section, which the Corporation does not make available for public inspection and copying, or that are not indexed as required by § 902.13, may not be cited, relied upon, or used as a precedent by the Corporation to adversely affect any person, unless the person against whom it is cited, relied upon, or used, has had actual and timely notice of that material.

(c) This subpart shall not apply to information published in the FEDERAL REGISTER or that is a reasonably described record covered by subpart E of this part.

§ 902.31 Access, inspection and copying.

(a) Records listed in § 902.30(a), are available for inspection and copying by any person at the Corporation's office, 1331 Pennsylvania Avenue, NW., Suite 1220 North, Washington, DC 20004. Facilities for inspection and copying shall be open to the public every workday.

(b) Records listed in § 902.30(a), that are published and offered for sale, shall be indexed as required under § 902.13, and shall be available for public inspection. Records offered for sale will not be copied by the Corporation for the requester without the approval of the Administrative Officer.

(c) Records listed in § 902.30(a) are subject to subpart F of this part and access may be restricted by the Corporation in accordance with that subpart. A refusal to disclose may be appealed by the requester under the provisions of subpart H of this part.

[41 FR 43143, Sept. 30, 1976, as amended at 48 FR 17354, Apr. 22, 1983; 50 FR 45824, Nov. 4, 1985]

Subpart E—Availability of Reasonably Described Records

§ 902.40 Applicability.

This subpart implements section 552(a)(3) of title 5 U.S.C., as amended, and prescribes regulations governing public inspection and copying of reasonably described records in the Corporation's custody. This subpart shall not apply to material which is covered by subparts C and D of this part, and records exempted under subpart F of this part.

§ 902.41 Public access to reasonably described records.

(a) Any person desiring access to a record covered by this subpart may make request for records and copies either in person on any workday at the Corporation's office, or by written request. In either instance, the requester must comply with the following provisions:

(1) A written request must be made for the record;

(2) The request must indicate that it is being made under the Freedom of Information Act (section 552 of title 5 U.S.C.); and

(3) The request must be addressed to the attention of the Administrative Officer, as provided in § 902.11.

(b) Each request for a record should reasonably describe the particular record sought. The request should specify, to the extent possible, the subject matter of the record, the date when it was made, the place where it was made and the person who made it. If the description is insufficient to process the request, the Public Information offices shall promptly notify the person making the request and solicit further information. The Administrative Officer may assist the person in perfecting the request.

(c) Requests made in person at the Corporation's office during regular working hours (9 a.m. to 5 p.m., Monday through Friday, except Federal holidays) shall be processed as provided in subpart G of this part. The Corporation shall provide adequate inspection and copying facilities. Original records may be copied, but may not be released from the custody of the Corporation. Upon payment of the appropriate fee,

copies will be provided to the requester by mail or in person.

(d) Every effort will be made to make a record in use by the staff of the Corporation available when requested, and availability may be deferred only to the extent necessary to avoid serious interference with the business of the Corporation.

(e) Notwithstanding paragraphs (a) through (d) of this section, informational materials and services, such as press releases, and similar materials prepared by the Corporation, shall be made available upon written or oral request. These services are considered as part of any informational program of the Government and are readily made available to the public. There is no fee for individual copies of such materials as long as they are in supply. In addition, the Corporation will continue to respond, without charge, to routine oral or written inquiries that do not involve direct access to records of the Corporation.

[41 FR 43143, Sept. 30, 1976, as amended at 48 FR 17354, Apr. 22, 1983]

§ 902.42 Request for records of concern to more than one government organization.

(a) If the release of a record covered by this subpart would be of concern to both the Corporation and another Federal agency, the record will be made available only after consultation with the other agency concerned. Records of another agency in the Corporation's possession will not be disclosed without the approval of the other agency.

(b) If the release of a record covered by this subpart would be of concern to both the Corporation and to a foreign, state or local government, the record will be made available by the Corporation only after consultation with the other interested foreign state or local government. Records of a foreign, state or local government will not be disclosed without the approval of the government concerned.

Subpart F—Exemptions From Public Access to Corporation Records

§ 902.50 Applicability.

(a) This subpart implements section 552(b) of title 5 U.S.C., which exempts certain records from public inspection under section 552(a). This subpart applies to records requested under subparts D and E of this part. The Corporation may, however, release a record authorized to be withheld under §§ 902.52 through 902.59 unless it determines that the release of that record would be inconsistent with a purpose of the aforementioned sections. Examples given in §§ 902.52 through 902.59 of records included within a particular statutory exemption are not necessarily illustrative of all types of records covered by the exemption. Any reasonably segregable portion of a record withheld under this subpart shall be provided to a requester, after deletion of the portions which are exempt under this subpart.

(b) This subpart does not authorize withholding of information or limit the availability of records to the public, except as specifically stated. This subpart is not authority to withhold information from Congress.

§ 902.51 Records relating to matters that are required by Executive order to be kept secret.

Records relating to matters that are specifically authorized under criteria established by an Executive order to be kept secret in the interest of national defense or foreign policy, include those within the scope of the following, and any further amendment of any of them, but only to the extent that the records are in fact properly classified pursuant to such Executive order:

(a) Executive Order 11652 of March 8, 1972 (3 CFR 1974 Comp. p. 339);

(b) Executive Order 10865 of February 20, 1960 (3 CFR 1959-1963 Comp. p. 398); and

(c) Executive Order 10104 of February 1, 1950 (3 CFR 1949-1953 Comp., p. 298).

These records may not be made available for public inspection.

§ 902.52 Records related solely to internal personnel rules and practices.

(a) Records related solely to internal personnel rules and practices that are within the statutory exemption include memoranda pertaining to personnel matters such as staffing policies, and policies and procedures for the hiring, training, promotion, demotion, and discharge of employees, and management plans, records, or proposals related to labor-management relationships.

(b) The purpose of this section is to authorize the protection of any record related to internal personnel rules and practices dealing with the relations between the Corporation and its employees.

§ 902.53 Records exempted from disclosure by statute.

(a) Records relating to matters that are specifically exempted by statute from disclosure may not be made available for public inspection. For example: section 1905 of title 18 U.S.C., protecting trade secrets, processes, and certain economic and other data obtained by examination or investigation, or from reports.

(b) The purpose of this section is to preserve the effectiveness of statutes of the kind cited as an example, in accordance with their terms.

§ 902.54 Trade secrets and commercial or financial information that is privileged or confidential.

(a) Trade secrets and commercial or financial information that are privileged and for which confidentiality is requested by the person possessing such privilege are within the statutory exemption. This includes the following:

(1) Commercial or financial information not customarily released to the public, furnished and accepted in confidence or disclosure of which could reasonably be expected to cause substantial competitive harm, or both;

(2) Statements of financial interest furnished by officers and employees of the Corporation;

(3) Commercial, technical, and financial information furnished by any person in connection with an application for a loan or a loan guarantee;

(4) Commercial or financial information customarily subjected to an attorney-client or similar evidentiary privilege; or,

(5) Materials in which the Corporation has a property right such as designs, drawings, and other data and reports acquired in connection with any research project, inside or outside of the Corporation, or any grant or contract.

(b) The purpose of this section is to authorize the protection of trade secrets and commercial or financial records that are customarily privileged or are appropriately given to the Corporation in confidence. It assures the confidentiality of trade secrets and commercial or financial information obtained by the Corporation through questionnaires and required reports to the extent that the information would not customarily be made public by the person from whom it was obtained. In any case in which the Corporation has obligated itself not to disclose trade secrets and commercial or financial information it receives, this section indicates the Corporation's intention to honor that obligation to the extent permitted by law. In addition, this section recognizes that certain materials, such as research data and materials, formulae, designs, and architectural drawings, have significance not as records but as items of property acquired, in many cases at public expense. In any case in which similar proprietary material in private hands would be held in confidence, material covered in this section may be held in confidence.

(c)(1) *In general.* For commercial or financial information furnished to the Corporation on or after March 30, 1988, the Corporation shall require the submitter to designate, at the time the information is furnished or within a reasonable time thereafter, any information the submitter considers confidential or privileged. Commercial or financial information provided to the Corporation shall not be disclosed pursuant to a Freedom of Information Act request except in accordance with this paragraph.

(2) *Notice to submitters.* The Corporation shall provide a submitter with prompt written notice of a request en-

compassing its commercial or financial information whenever required under paragraph (c)(3) of this section, and except as is provided in paragraph (c)(7) of this section. Such written notice shall either describe the exact nature of the information requested or provide copies of the records or portions thereof containing the information. Concurrently with its notice to a submitter, the Corporation shall inform a requestor in writing that the submitter is afforded a reasonable period within which to object to disclosure and that the 10 workday initial determination period provided for in 36 CFR 902.60 may therefore be extended.

(3) *When notice is required.* (i) For information submitted to the Corporation prior to March 30, 1988, the Corporation shall provide a submitter with notice of a request whenever:

(A) The information is less than ten years old;

(B) The information is subject to prior express commitment of confidentiality given by the Corporation to the submitter; or

(C) The Corporation has reason to believe that disclosure of the information may result in substantial competitive harm to the submitter.

(ii) For information submitted to the Corporation on or after March 30, 1988, the Corporation shall provide a submitter with notice of a request whenever:

(A) The submitter has in good faith designated the information as confidential, or

(B) The Corporation has reason to believe that disclosure of the information may result in substantial competitive harm to the submitter.

Notice of a request for information falling within the former category shall be required for a period of not more than ten years after the date of submission unless the submitter requests, and provides acceptable justification for, a specific notice period of greater duration. The submitter's claim of confidentiality should be supported by a statement or certification by an officer or authorized representative that the information in question is in fact confidential and has not been disclosed to the public.

§ 902.55

(4) *Opportunity to object to disclosure.* Through the notice described in paragraph (c)(2) of this section, the Corporation shall afford a submitter a reasonable period within which to provide the Corporation with a detailed statement of any objection to disclosure. Such statement shall specify all grounds for withholding any of the information under any exemption of the Freedom of Information Act and, in the case of Exemption 4, shall demonstrate why the information is contended to be privileged or confidential. Information provided by a submitter pursuant to this paragraph may itself be subject to disclosure under the Freedom of Information Act.

(5) *Notice of intent to disclose.* The Corporation shall consider carefully a submitter's objections and specific grounds for nondisclosure prior to determining whether to disclose information. Whenever the Corporation decides to disclose information over the objection of a submitter, the Corporation shall forward to the submitter a written notice which shall include:

(i) A statement of the reasons for which the submitter's disclosure objections were not sustained;

(ii) A description of the information to be disclosed; and

(iii) A specified disclosure date.

Such notice of intent to disclose shall be forwarded a reasonable number of days, as circumstances permit, prior to the specified date upon which disclosure is intended. A copy of such disclosure notice shall be forwarded to the requester at the same time.

(6) *Notice of lawsuit.* Whenever a requester brings suit seeking to compel disclosure of information covered by paragraph (c) of this section, the Corporation shall promptly notify the submitter.

(7) *Exceptions to notice requirements.* The notice requirements of this section shall not apply if:

(i) The Corporation determines that the information should not be disclosed;

(ii) The information lawfully has been published or otherwise made available to the public;

(iii) Disclosure of the information is required by law (other than 5 U.S.C. 552); or

36 CFR Ch. IX (7-1-11 Edition)

(iv) The designation made by the submitter in accordance with paragraphs (c)(1) and (c)(3)(ii) of this section appears obviously frivolous; except that, in such case, the Corporation shall provide the submitter with written notice of any final decision to disclose information within a reasonable number of days prior to a specified disclosure date.

[41 FR 43143, Sept. 30, 1976, as amended at 53 FR 10374, Mar. 31, 1988]

§ 902.55 Intragovernmental exchanges.

(a) Any record prepared by a Government officer or employee (including those prepared by a consultant or advisory body) for internal Government use is within the statutory exemption to the extent that it contains—

(1) Opinions, advice, deliberations, or recommendations made in the course of developing official action by the Government, but not actually made a part of that official action, or

(2) Information concerning any pending proceeding or similar matter including any claim or other dispute to be resolved before a court of law, administrative board, hearing officer, or contracting officer.

(b) This section has two distinct purposes. One is to protect the full and frank exchange of ideas, views, and opinions necessary for the effective functioning of the Government and to afford this protection both before and after any action is taken. This judicially recognized privilege of protection against disclosure in litigation or elsewhere is intended to assure that these resources will be fully and readily available to those officials upon whom the responsibility rests to take official and final Corporation action. However, the action itself, any memoranda made part of that action, and the facts on which it is based are not within this protection. The other purpose is to protect against the premature disclosure of material that is in the development stage if premature disclosure would be detrimental to the authorized and appropriate purposes for which the material is being used, or if, because of its tentative nature, the material is likely to be revised or modified before it is officially presented to the public.

(c) Examples of records covered by this section include minutes to the extent they contain matter described in paragraph (a) of this section; staff papers containing advice, opinions, suggestions, or exchanges of views, preliminary to final agency decision or action; budgetary planning and programming information; advance information on such things as proposed plans to procure, lease, or otherwise hire and dispose of materials, real estate, or facilities, documents exchanged preparatory to anticipated legal proceedings; material intended for public release at a specified future time, if premature disclosure would be detrimental to orderly processes of the Corporation; records of inspection, investigations, and surveys pertaining to internal management of the Department; and matters that would not be routinely disclosed under disclosure procedures in litigation and which are likely to be the subject of litigation. However, if such a record also contains factual information, that information must be made available under subpart E of this part unless the facts are so inextricably intertwined with deliberative or policymaking processes, that they cannot be separated without disclosing those processes.

§902.56 Protection of personal privacy.

(a) Any of the following personnel, medical, or similar records is within the statutory exemption if its disclosure would harm the individual concerned or be a clearly unwarranted invasion of his personal privacy:

- (1) Personnel and background records personal to any officer or employee of the Corporation, or other person, including his home address;
- (2) Medical histories and medical records concerning individuals, including applicants for licenses; or
- (3) Any other detailed record containing personal information identifiable with a particular person.

(b) The purpose of this section is to provide a proper balance between the protection of personal privacy and the preservation of the public's rights to Corporation information by authorizing the protection of information that, if released, might unjustifiably

invade an individual's personal privacy.

§902.57 Investigatory files compiled for law enforcement purposes.

(a) Files compiled by the Corporation for law enforcement purposes, including the enforcement of the regulations of the Corporation, are within the statutory exemption to the extent that production of such records would:

- (1) Interfere with enforcement proceedings;
- (2) Deprive a person of a right to a fair trial or an impartial adjudication;
- (3) Constitute an unwarranted invasion of personal privacy;
- (4) Disclose the identity of a confidential source and in the case of a record compiled by a criminal law enforcement authority in the courts of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, confidential information furnished only by the confidential source;
- (5) Disclose investigative techniques and procedures; or,
- (6) Endanger the life or physical safety of law enforcement personnel.

(b) The purpose of this section is to protect from disclosure the law enforcement files of the Corporation including files prepared in connection with related litigation and adjudicative proceedings. It includes the enforcement not only of criminal statutes but all kinds of laws.

§902.58 Reports of financial institutions.

Any material contained in or related to any examination, operating, or condition report prepared by, on behalf of, or for the use of, any agency responsible for the regulation or supervision of financial institutions is within the statutory exemption.

§902.59 Geological and geophysical information.

Any geological or geophysical information and data (including maps) concerning wells is within the statutory exemption.

Subpart G—Time Limitations**§ 902.60 Initial determination.**

(a) An initial determination whether or not to release a record requested under subparts D and E of this part shall be made by the Public Information Offices within 10 workdays after the receipt of a request which complies with § 902.21. Failure of the requester to comply with those provisions may toll the running of the 10 day period until the request is identified as one being made under the Act. This time limit may be extended by up to 10 workdays in accordance with § 902.62.

(b) Upon making initial determination, the Administrative Officer shall immediately notify the person making the request as to its disposition. If the determination is made to release the requested record, the Administrative Officer shall make the record promptly available. If the determination is to deny the release of the requested record, the Public Information Officer shall immediately notify the requester of the denial and shall provide the following information.

(1) The reason for the determination, including a reference to the appropriate exemption provided in subpart F of this part;

(2) The right of the request or to appeal the determination as provided in subpart H of this part; and

(3) The name and position of each person responsible for the denial of the request.

[41 FR 43143, Sept. 30, 1976, as amended at 48 FR 17354, Apr. 22, 1983]

§ 902.61 Final determination.

A determination with respect to any appeal made pursuant to subpart H of this part will be made within twenty work days after the date of receipt of the appeal. The time limit provided may be extended by up to 10 workdays in accordance with § 902.62.

§ 902.62 Extension of time limits.

(a) In unusual circumstances, the time limits prescribed in §§ 902.60 and 902.61 may be extended by written notice to the person making the request. The notice shall set forth the reasons for the extension and the date on which

a determination is expected to be dispatched. Under no circumstances shall the notice specify a date that would result in an extension for more than 10 workdays.

(b) As used in this section, *unusual circumstances* means (but only to the extent reasonably necessary to the proper processing of the particular request):

(1) The need to search for, collect and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request;

(2) The need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request; or

(3) The need for consultation, which shall be conducted with all practicable speed, with another agency having a substantial interest in the determination of the request or among two or more components of the agency having substantial subject matter interest therein.

(c) Any person having made a request for records under this part shall have exhausted his administrative remedies with respect to such request, if the Corporation fails to comply with the applicable time limitations set forth in this subject.

Subpart H—Procedures for Administrative Appeal of Decisions Not To Disclose Records**§ 902.70 General.**

Within the time limitations of subpart G of this part, if the Administrative Officer makes a determination not to disclose a record requested under subparts D and E of this part, he shall furnish a written statement of the reasons for that determination to the person making the request. The statement shall indicate the name(s) and title(s) of each person responsible for the denial of the request, and the availability of an appeal with the Corporation. Any person whose request for a record has

Pennsylvania Avenue Development Corporation

§ 902.82

been denied may submit a written appeal to the Corporation requesting reconsideration of the decision.

[41 FR 43143, Sept. 30, 1976, as amended at 48 FR 17354, Apr. 22, 1983]

§ 902.71 Forms for appeal.

Although no particular written form is prescribed for on appeal, the letter or similar written statement appealing a denial of a record shall contain a description of the record requested, the name and position of the official who denied the request, the reason(s) given for the denial, and other pertinent facts and statements deemed appropriate by the appellant. The Corporation may request additional details if the information submitted is insufficient to support an appeal.

§ 902.72 Time limitations on filing an appeal.

An appeal must be submitted in writing within thirty days from the date of receipt of the initial written denial and must contain the information requested in § 902.71.

§ 902.73 Where to appeal.

An appeal shall be addressed to the Chairman of the Board of Directors, Pennsylvania Avenue Development Corporation, 1331 Pennsylvania Avenue, NW., Suite 1220 North, Washington, DC 20004.

[41 FR 43143, Sept. 30, 1976, as amended at 50 FR 45824, Nov. 4, 1985]

§ 902.74 Agency decision.

(a) The Chairman shall have sole authority to act on an appeal, which seeks to reverse an initial decision denying disclosure of a record. He shall review each appeal and provide the appellant and other interested parties with a written notice of his decision. The decision of the Chairman as to the availability of the record is administratively final.

(b) If the decision of the Chairman sustains the refusal to disclose, the notice of decision shall set forth the reasons for the refusal, including the specific exemptions from disclosure under the Act that are the bases of the decision not to disclose. The notice shall further advise the appellant that judi-

cial review is available on complaint to the appropriate District Court of the United States, as provided in section 552(a)(4)(B) of title 5 U.S.C.

(c) As set out in § 902.61, the final decision on appeal shall be made within 20 workdays after the receipt of the appeal. An extension of this limitation is authorized as prescribed under § 902.62.

Subpart I—Fees

§ 902.80 General.

(a) This subpart prescribes fees for services performed by the Corporation under subparts D and E of this part. This subpart shall only apply to the services described herein. The fees for the service listed reflect the actual cost of the work involved in compiling requested record and copying, if necessary.

(b) A fee shall not be charged for time spent in resolving legal or policy issues.

[41 FR 43143, Sept. 30, 1976, as amended at 52 FR 26677, July 16, 1987]

§ 902.81 Payment of fees.

The fees prescribed in this part may be paid in cash or by check, draft, or postal money order made payable to the Pennsylvania Avenue Development Corporation.

[52 FR 26677, July 16, 1987]

§ 902.82 Fee schedule.

(a) *Definitions.* For purposes of this section—

(1) A *commercial use request* is a request from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made. In determining whether a requester properly belongs in this category, the Corporation will determine the use to which the requester will put the records sought. Where the Corporation has reasonable cause to doubt the use to which a requester will put the records sought, or where that use is not clear from the request itself, the Corporation will seek additional clarification before assigning the request to a specific category.

(2) *Direct costs* means those expenditures the Corporation actually incurs in searching for and duplicating (and in the case of commercial requesters, reviewing) records to respond to an FOIA request. Direct costs include, for example, the salary of the employee performing work (the basic rate of pay for the employee plus 16 percent of that rate to cover benefits) and the cost of operating duplicating machinery. Not included in direct costs are overhead expenses such as costs of space, and heating or lighting the facility in which the records are stored.

(3) *Duplication* means the process of making a copy of a record necessary to respond to an FOIA request. Such copies can take the form of paper copy, microform, audio-visual materials, or machine-readable documentation (e.g., magnetic tape or disk), among others. The copy provided must be in a form that is reasonably usable by requesters.

(4) *Educational institution* means a preschool, a public or private elementary or secondary school, an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, and an institution of vocational education, which operates a program or programs of scholarly research.

(5) *Non-commercial scientific institution* means an institution that is not operated on a commercial basis, within the meaning of paragraph (a)(1) of this section and that is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry.

(6) *Representative of the new media* means any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term *news* means information that is about current events or that would be of current interest to the public. Examples of new media entities include television or radio stations broadcasting to the public at large, and publishers of periodicals (but only in those instances when they can qualify as disseminators of news) who make their products available for purchase or subscription by

the general public. These examples are not intended to be all-inclusive. Moreover, as traditional methods of news delivery evolve (e.g., electronic dissemination of newspapers through telecommunications services), such alternative media would be included in this category. *Freelance* journalists may be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization, even though not actually employed by it. A publication contract would be the clearest proof, but the Corporation may also look to the past publication record of a requester in making this determination.

(7) *Review* means the process of examining records located in response to a request that is for a commercial use (see paragraph (a)(1) of this section) to determine whether any portion of any record located is permitted to be withheld. It also includes processing any records for disclosure, e.g., doing all that is necessary to excise them and otherwise prepare them for release. Review does not include time spent resolving general legal or policy issues regarding the application of exemptions.

(8) *Search* includes all time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification of material within records. A line-by-line search will not be conducted when merely duplicating an entire record would be the less expensive and quicker method of complying with the request. *Search* does not include *review* of material to determine whether the material is exempt from disclosure (see paragraph (a)(7) of this section). Searches may be done manually or by computer using existing programming.

(b) The following provisions shall apply with respect to services rendered to the public in processing requests for disclosure of the Corporation's records under this part:

(1) *Fee for duplication of records: \$0.25 per page.* When the Corporation estimates that duplication charges are likely to exceed \$25.00, it will notify the requester of the estimated amount of fees, unless the requester has indicated in advance his willingness to pay fees as high as those anticipated. The

Corporation will offer the requester the opportunity to confer with the Corporation's staff in order to reformulate the request to meet the requester's needs at a lower cost.

(2) *Search and review fees.* (i) Searches for records by clerical personnel: \$7.00 per hour, including the time spent searching for and copying any records.

(ii) Search for and review of records by professional and supervisory personnel: \$11.50 per hour spent searching for any record or reviewing any record to determine whether it may be disclosed, including time spent in copying any record.

(iii) Except for requests seeking records for a commercial use, the Corporation will provide the first 100 pages of duplication and the first two hours of search time without charge. The word *pages* means paper copies of a standard size, either 8½" by 11" or 14" by 14".

(3) *Duplication of architectural drawings, maps, and similar materials:* (per copy) \$10.00.

(4) *Reproduction of 35 mm slides:* (per copy) \$1.00.

(5) *Reproduction of enlarged, black and white photographs:* (per copy) \$10.00.

(6) *Reproduction of enlarged color photographs:* (per copy) \$17.00.

(7) *Certification and validation fee:* \$1.75 for each certification or validation of a copy of any record.

(8) *Categories of FOIA requesters and fees to be charged—*(i) *Commercial use requesters.* When the Corporation receives a request for records for commercial use, it will assess charges to recover the full direct costs of searching for, reviewing for release, and duplicating the records sought. Requesters must reasonably describe the records sought.

(ii) *Educational and non-commercial scientific institution requesters.* The Corporation shall provide copies of records to requesters in this category for the cost of reproduction alone, excluding charges for the first 100 pages. To be eligible for inclusion in this category, requesters must show that the request is being made as authorized by and under the auspices of a qualifying institution and that the records are not sought for a commercial use but are sought in furtherance of scholarly (if the request is from an educational institution) or sci-

entific (if the request is from a non-commercial scientific institution) research. Requesters must reasonably describe the records sought.

(iii) *Requesters who are representatives of the news media.* The Corporation shall provide documents to requesters in this category for the cost of reproduction alone, excluding charges for the first 100 pages. To be eligible for inclusion in this category, a requester must meet the criteria in the definition of *representative of the news media* in paragraph (a)(6) of this section, and his or her request must not be made for a commercial use. In reference to this class of requester, a request for records supporting the news dissemination function of the requester shall not be considered to be a request that is for a commercial use. Requestors must reasonably describe the records sought.

(iv) *All other requesters.* The Corporation will charge requesters who do not fit into any of the categories above fees which recover the full reasonable direct cost of searching for and reproducing records that are responsive to the request, except that the first 100 pages of reproduction and the first two hours of search time shall be furnished without charge. Requests from record subjects for records about themselves filed in the Corporation's systems of records will be treated under the fee provisions of the Privacy Act of 1974 which permit fees only for reproduction. Requesters must reasonably describe the records sought.

(9) *Interest.* In the event a requester fails to remit payment of fees charged for processing a request under this part within 30 days from the date such fees were billed, interest on such fees may be assessed beginning on the 31st day after the billing date at the rate prescribed in section 3717 of title 31 U.S.C., and will accrue from the date of the billing.

(10) *Unsuccessful searches.* Except as provided in paragraph (b)(8)(iv) of this section, the cost of searching for a requested record shall be charged even if the search fails to locate such record or it is determined that the record is exempt from disclosure.

(11) *Aggregating requests.* A requester must not file multiple requests at the same time, each seeking portions of a

§ 902.83

record or records, solely in order to avoid payment of fees. When the Corporation reasonably believes that a requester, or a group of requesters acting in concert, is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, the Corporation may aggregate any such requests and charge accordingly.

(12) *Advance payments.* The Corporation will not require a requester to make an advance payment, i.e., payment before work is commenced or continued on a request unless:

(i) The Corporation estimates or determines that allowable charges that a requester may be required to pay are likely to exceed \$250; or

(ii) If a requester has previously failed to make timely payments (i.e., within 30 days of billing date) of fees charged under this part, the requester may be required to pay the full amount owed plus any applicable interest accrued thereon or demonstrate that he has, in fact, paid the fee, and to make an advance payment of the full amount of the estimated fee before the Corporation begins to process a new request or a pending request from this requester.

(iii) With regard to any request coming within paragraphs (b)(12) (i) and (ii) of this section, the administrative time limits set forth in §§902.60, 902.61, and 902.62 of this part will begin to run only after the Corporation has received the requisite fee payments.

(iv) *Non-payment.* In the event of non-payment of billed charges for disclosure of records, the provisions of the Debt Collection Act of 1982 (Pub. L. 97-365), including disclosure to consumer credit reporting agencies and referral to collection agencies, where appropriate, may be utilized to obtain payment.

§ 902.83 Waiver or reduction of fees.

Fees otherwise chargeable in connection with a request for disclosure of a record shall be waived or reduced where:

(a) Disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or ac-

tivities of the government and is not primarily in the commercial interest of the requester; or

(b) The costs of routine collection and processing of the fee are likely to equal or exceed the amount of the fee.

§ 903.4 Requests for access to records.

(a) Except as otherwise provided by law or regulation, an individual, upon request made in person or delivered in writing may gain access to his or her record or to any information pertaining to him or her which is contained in a system of records maintained by the Corporation, and to review the record and have a copy made of all or any portion thereof in a form comprehensible to him or her. However, the Corporation will require a written statement from the individual authorizing discussion of his or her record in the accompanying person's presence.

(b) A request under paragraph (a) of this section shall be directed to the Privacy Protection Officer at the place, times and in the manner prescribed in § 903.3(a) and (b). The request should include the following information:

(b) Notices granting access shall inform the individual when and where the requested record may be seen, how copies may be obtained, and of any anticipated fees or charges which may be incurred under § 903.11. Access shall be provided within 30 days of receipt of the request unless the Corporation, for good cause shown, is unable to provide prompt access, in which case the individual shall be informed in writing within the 30 days as to the cause for delay and when it is anticipated that access will be granted.

§ 903.6 Appeal of initial denial of access.

(a) After receiving notification of an initial denial of access to a record, an individual may request a review and reconsideration of the request by the Executive Director of the Corporation, or an officer of the Corporation des-

ignated by him, but other than the Privacy Protection Officer. Appeals for review shall be in writing, addressed to the Executive Director, Pennsylvania Avenue Development Corporation, 1331 Pennsylvania Avenue, NW., Suite 1220 North, Washington, DC 20004. The appeal shall identify the record as in the original request, shall indicate the date of the original request and the date of the initial denial, and shall indicate the expressed basis for the denial.

(b) Not later than 30 days after receipt of an appeal, the Executive Director, or an officer of the Corporation designated by him, will complete review of the appeal and the initial denial and either:

(1) Determine that the appeal should be granted, and notify the individual in writing to that effect; or,

(2) Determine that the appeal should be denied because the information requested is exempt from disclosure. If the reviewing official denies the appeal, he or she shall advise the individual in writing of the decision and the reasons for reaching it, and that the denial of the appeal is a final agency action entitling the individual to seek judicial review in the appropriate district court of the United States as provided in 5 U.S.C. 552a(g).

[42 FR 5973, Feb. 1, 1977, as amended at 50 FR 45824, Nov. 4, 1985]

§ 903.7 Requests for amendment of record.

(a) An individual may request amendment of a Corporation record pertaining to him or to her, if the individual believes that the record contains information which is not accurate, relevant, timely, or complete. The request shall be in writing, whether presented in person or by mail, shall state with specificity the record sought to be amended, and shall propose wording of the correction or amendment sought. The request shall be directed to the Privacy Protection Officer at the place, times, and in the manner specified in § 903.3 (a) and (b). Assistance in preparing a request to amend a record,

or to appeal an initial adverse determination under §903.3(a), may be obtained from the Privacy Officer, Pennsylvania Avenue Development Corporation, 1331 Pennsylvania Avenue, NW., Suite 1220 North, Washington, DC 20004.

(b) Not later than 10 days after the date of receipt of a request the Privacy Protection Officer will acknowledge it in writing. The acknowledgement will clearly describe the request, and if a determination has not already been made, will advise the individual when he or she may expect to be advised of action taken on the request. For requests presented in person, written acknowledgement will be provided at the time when the request is presented. No separate acknowledgement of receipt will be issued if the request can be reviewed and the individual advised of the results of the review within the 10 day period.

[42 FR 5973, Feb. 1, 1977, as amended at 50 FR 45824, Nov. 4, 1985]

§ 903.8 Review of request for amendment of record.

(a) Upon receipt of a request for amendment of a record the Privacy Protection Officer will promptly review the record and: Either:

(1) Amend any portion thereof which the individual believes is not accurate, relevant, timely, or complete; or

(2) Inform the individual of refusal to amend the record in accordance with the request. In reviewing a record pursuant to a request to amend it, the Corporation will assess the accuracy, relevance, timeliness and completeness of the record in terms of the criteria established in 5 U.S.C. 522a(e)(5). In reviewing a record in response to a request to amend it by deleting information, the Corporation will ascertain whether or not the information is relevant and necessary to accomplish a purpose of the Corporation required to be accomplished by statute or by executive order of the President, as prescribed by 5 U.S.C. 522a(e)(1).

(b) The Corporation shall take the action specified in paragraph (a) of this section within 30 days of receipt of a request for amendment of a record, unless unusual circumstances preclude completion of the action within that time. If the expected completion date

for the action, as indicated in the acknowledgement provided pursuant to §903.5 cannot be met, the individual shall be advised of the delay and of a revised date when action is expected to be completed. If necessary for an accurate review of the record, the Corporation will seek, and the individual will supply, additional information in support of his or her request for amending the record.

(c) If the Corporation agrees with all or any portion of an individual's request to amend a record, the Corporation will so advise the individual in writing, and amend the record to the extent agreed to by the Corporation. Where an accounting of disclosures has been kept, the Corporation will advise all previous recipients of the record of the fact that the amendment was made and the substance of the amendment.

(d) If the Corporation disagrees with all or any portion of an individual's request to amend a record, the Corporation shall:

(1) Advise the individual of its adverse determination and the reasons therefor, including the criteria used by the Corporation in conducting the review;

(2) Inform the individual that he or she may request a review of the adverse determination by the Executive Director of the Corporation, or by an officer of the Corporation designated by the Executive Director; and,

(3) Advise the individual of the procedures for requesting such a review including the name and address of the official to whom the request should be directed.

(e) If the Corporation is apprised by another agency of any corrections or other amendments made to a record contained in the Corporation's system of records, the Corporation will promptly amend its record and advise in writing all previous recipients of the record of the fact that the amendment was made and the substance of the amendment.

§ 903.9 Appeal of initial adverse determination of request for amendment of record.

(a) After receipt by an individual of notice of an adverse determination by

the Privacy Protection Officer concerning a request to amend a record, the individual may, within 60 working days after the date of receipt of the notice, appeal the determination by seeking a review by the Executive Director of the Corporation, or by an officer of the Corporation designated by him. The appeal shall be in writing, mailed or delivered to the Executive Director, Pennsylvania Avenue Development Corporation, 1331 Pennsylvania Avenue, NW, Suite 1220 North, Washington, DC 20004. The appeal shall identify the record in the same manner as it was identified in the original request, shall indicate the dates of the original request and of the adverse determination and shall indicate the expressed basis for that determination. In addition, the appeal shall state briefly the reasons why the adverse determination should be reversed.

(b) Not later than 30 days after receipt of an appeal, the Executive Director, or an officer of the Corporation designated by him, will complete a review of the appeal and the initial determination, and either: (1) Determine that the appeal should be granted, take the appropriate action with respect to the record in question, and notify the individual accordingly; or, (2) determine that the appeal should be denied.

(c) The reviewing official may, at his or her option, request from the individual such additional information as is deemed necessary to properly conduct the review. If additional time is required, the Executive Director may, for good cause shown, extend the period for action beyond the 30 days specified above. The individual will then be informed in writing of the delay and the reasons therefor, and of the approximate date on which action is expected to be completed.

(d) If the reviewing official denies the appeal, he or she shall advise the individual in writing:

(1) Of the decision and the reasons for reaching it;

(2) That the denial of the appeal is a final agency action entitling the individual to seek judicial review in the appropriate district court of the United States, as provided in 5 U.S.C. 552a(g); and,

(3) That the individual may file with the Corporation a concise statement setting forth the reasons for his or her disagreement with the refusal of the Corporation to amend the record in question.

(e) Any individual having received notices of a denial of an appeal to amend a record may file a statement of disagreement with the Executive Director not later than 60 working days from the date of receipt of the notice. Such statements shall ordinarily not exceed one page in length, and the Corporation reserves the right to reject statements of excessive length. Upon receipt of a proper and timely statement of disagreement, the Corporation will clearly annotate the record in question to indicate the portion of the record which is in dispute. In any subsequent disclosure containing information about which the individual has filed a statement of disagreement, the Corporation will provide a copy of the statement together with the record to which it pertains. In addition, prior recipients of the disputed record will be provided with a copy of statements of disagreement to the extent that an accounting of disclosures was maintained. If the Corporation deems it appropriate, it may also include in any disclosure its own concise statement of the reasons for not making the amendments requested.

(a) The Corporation will not disclose any record which is contained in a system of records, by any means of communication to any person or to another agency except:

(1) Pursuant to a written request by, or with the prior written consent of, the individual to whom the record pertains;

(2) To those officers and employees of the Corporation who have a need for the record in the performance of their duties;

(3) When required under 5 U.S.C. 522 (The Freedom of Information Act); or

(4) Pursuant to the conditions of disclosure contained in 5 U.S.C. 552a(b)(3) through 5 U.S.C. 522a(b)(11).

Pennsylvania Avenue Development Corporation

§ 903.12

(b) The Privacy Protection Officer of the Corporation shall keep an accounting of each disclosure made pursuant to paragraph (a)(4) of this section, in accordance with 5 U.S.C. 552a(c). Except for disclosures made pursuant to 5 U.S.C. 552a(b)(7), the Privacy Protection Officer shall make the accounting kept under this paragraph available to an individual to whom the record pertains, upon his or her request. An individual requesting an accounting of disclosures should do so at the place, times and in the manner specified in § 903.3 (a) and (b).

§ 903.11 Routine uses of records maintained in the system of records.

(a) It shall be a routine use of the records in this system of records to disclose them to the Department of Justice when:

(1) The Corporation, or any component thereof; or

(2) Any employee of the Corporation in his or her official capacity; or

(3) Any employee of the Corporation in his or her individual capacity where the Department of Justice has agreed to represent the employee; or

(4) The United States, where the Corporation determines that litigation is likely to affect the Corporation or any of its components, is a party to litigation or an interest in such litigation, and the use of such records by the Department of Justice is deemed by the Corporation to be relevant and necessary to the litigation, provided, however, that in each case, the Corporation determines that disclosure of the records to the Department of Justice is a use of the information contained in the records that is compatible with the purpose for which the records were collected.

(b) It shall be a routine use of records maintained by the Corporation to disclose them in a proceeding before a court or adjudicative body before which the Corporation is authorized to appear, when:

(1) The Corporation, or any component thereof; or

(2) Any employee of the Corporation in his or her individual capacity;

(3) Any employee of the agency in his or her individual capacity where the

Department of Justice has agreed to represent the employee; or

§ 903.12 Fees for furnishing and reproducing records.

(a) Individuals will not be charged a fee for:

(1) The search and review of the record;

(2) Any copies of the record produced as a necessary part of the process of making the record available for access;

(3) Any copies of the requested record when it has been determined that access can only be accomplished by providing a copy of the record through the mail. The Privacy Protection Officer may provide additional copies of any record without charge when it is determined that it is in the interest of the Government to do so.

(b) Except as provided in paragraph (a) of this section, fees will be charged for the duplication of records at a rate of 10¢ per page. If it is anticipated that the total fee chargeable to an individual under this subpart will exceed \$25, the Corporation shall promptly notify the requester of the anticipated cost. An advance deposit equal to 50% of the anticipated total fee will be required unless waived by the Privacy Protection Officer. In notifying the requester of the anticipated fee, the Privacy Protection Officer shall extend an offer to the requester to consult so that the request might be reformulated in a manner which will reduce the fee, yet still meet the needs of the requester.

§ 903.13

persons in the profession, occupation, or activity. (Chapter 304, Federal Personnel Manual.)

(i) *Head of the agency* means the Chairman.

(j) *Person* means an individual, a corporation, a company, an association, a firm, a partnership, a society, a joint stock company, or any other institution or organization.

The term includes those Board Members who are appointed from private life and required to file a statement of financial interests with the Chairman of the Civil Service Commission pursuant to part IV of the Executive order, or who are determined to be special government employees of the executive or legislative branches of the United States or the District of Columbia.

§ 905.735-104 Applicability.

This part applies to each employee and to each special Government employee of the Corporation as defined herein and supplements the Executive order and part 735 of title 5, Code of Federal Regulations, promulgated by the Civil Service Commission on employee responsibilities and conduct.

§ 905.735-105 Designation of counselor.

In accordance with 5 CFR 735.105(a), the General Counsel of the Corporation is designated to be Ethics Counselor and shall serve as the Corporation's liaison with the Civil Service Commission for matters covered in this part.

(b) All employees and special Government employees will be advised by the Corporation of the availability of counseling regarding the provisions of this part.

§ 905.735-107 Review of statements of employment and financial interests.

The Ethics Counselor of the Corporation shall review each statement of employment and financial interests submitted under § 905.735-402 or § 905.735-403, except his own and those statements of special Government employees who file with the Chairman of the Civil Service Commission. When review discloses a conflict between the interests of an employee or special Government employee of the Corporation and the performance of his services for the Corporation, the Ethics Counselor shall bring the conflict to the attention of the employee or special Government employee, grant the individual an opportunity to explain the conflict, and attempt to resolve it. If the conflict cannot be resolved, the Ethics Counselor shall forward a written report on the conflict to the Chairman, recommending appropriate action. The Chairman shall review the report, solicit an explanation from the individual, and seek resolution of the conflict.

§ 905.735-108 Remedial and disciplinary action.

(a) In addition to any penalties prescribed by law, the Chairman, after review and consideration of any explanation given by an employee or special Government employee concerning a conflict of interest, may institute appropriate remedial action to resolve or otherwise eliminate the conflict. (b) Where the situation warrants some form of disciplinary action, the

Chairman may choose from a wide range including a warning or reprimand, suspension, reduction in grade or pay, or termination of employment. The disciplinary action selected should reflect the character and degree of the offense which demands such action and should be reasonable in light of that offense.

(c) Remedial action, whether disciplinary or otherwise, shall be effected in accordance with applicable laws, Executive orders, and regulations.

Subpart B—Conduct and Responsibilities of Employees

§ 905.735–201 General standards of conduct.

(b) All employees shall conduct themselves off the job so as not to reflect adversely upon the Corporation or the Federal service.

(c) Employee conduct shall exemplify the highest standards of integrity. Employees shall avoid any action, whether or not specifically prohibited by this part, which might result in, or create the appearance of:

(a) Accept gifts and other things of value under circumstances which arise from an obvious family or personal re-

(b) Accept food and refreshments of nominal value on infrequent occasions in the ordinary course of a luncheon, dinner, or other meeting, or on an inspection tour where an employee may properly be in attendance;

(c) Accept loans from banks or other financial institutions on customary terms to finance proper and usual activities of employees, such as home purchase;

(f) Participate in widely attended lunches, dinners, and similar gatherings sponsored by industrial, commercial, technical and professional associations, or groups, for discussion of matters of interest both to the Corporation and the public. Participation by an employee at the host's expense is appropriate if the host is an association or group and not an individual.

§ 905.735–203 Outside employment and other activity.

As provided in 5 CFR 735.203, an employee of the Corporation may engage in outside employment or other outside activity not incompatible with the full and proper discharge of the duties and responsibilities of his Government employment. An employee who proposes to engage in outside employment shall

§ 905.735-204

report that fact in writing to his supervisor prior to undertaking such employment.

§ 905.735-204 Disclosure of information.

(a) Every employee who is involved in the development, maintenance or use of Corporation records containing information about individuals shall familiarize himself with the requirements and penalties of the Privacy Act of 1974 (5 U.S.C. 552a) and Corporation regulations (36 CFR part 903) promulgated thereunder concerning the utilization of and access to such records.

(b) Every employee is directed to cooperate to the fullest extent possible in discharging the requirement of the Freedom of Information Act (5 U.S.C. 522) and Corporation regulations promulgated thereunder (36 CFR part 902). 36 CFR Ch. IX (7-1-11 Edition)

202 are hereby made applicable to special Government employees.

Subpart D—Special Standards Applicable to Certain Board Members

§ 905.735-401 Standards.

Section 3(c)(8) of the Pennsylvania Avenue Development Corporation Act of 1972, Pub. L. 92-578, 86 Stat. 1267 (40 U.S.C. 872(c)(8)) specifies that the eight members appointed to the Board by the President from private life, at least four of whom shall be residents of the District of Columbia, “shall have knowledge and experience in one or more fields of history, architecture, city planning, retailing, real estate, construction or government.” As a result of these prerequisites for appointment of a private member to the Board of Directors, conflicts could arise for these Board Members as the Corporation proceeds with various development activities. Accordingly, Board Members should perform their responsibilities for the operation and management of the Corporation consistent with these regulations, and other applicable Federal laws and regulations, and consistent with the highest level of fiduciary responsibility.

§ 905.735-402 Advice and determination.

The Corporation's Ethics Counselor is readily available for consultation when a Board Member seeks advice as to the appropriateness of his actions in light of this part, the Executive order, or title 18 U.S.C., chapter 11. A Board Member has an affirmative duty to advise the Ethics Counselor of any potential conflict of interest which may arise with the individual's participation in any particular matter before the Corporation. If advised to do so, the Board Member should submit to the Chairman for determination the question of whether or not the conflict will disqualify the Board Member from participating in the action to be taken by the Corporation. Under the authority delegated to the Chairman pursuant to 18 U.S.C. 208(b), the Chairman may find that the Board Member need not be disqualified from participating in the particular matter, if:

(a) The Board Member makes a full disclosure of the financial interest; and

(b) The Chairman furnishes him with a written determination in advance of the action that the interest is not so substantial as to be deemed likely to affect the integrity of the services which the Government may expect from the Board Member. Requests for similar determinations for conflicts posed by the financial interests of the Chairman himself shall be submitted to the Chairman of the Civil Service Commission.

Subpart E—Statements of Employment and Financial Interests

(3) If the Chairman modifies or reverses the initial decision, he or she shall specify such findings of fact and conclusions of law as are different from those of the examiner.

(4) If no appeal is taken from an initial decision within thirty days, the initial decision shall become a final decision.

(i) *Sanctions.* The Chairman shall take appropriate action in the case of any individual who is found to be in violation of 18 U.S.C. 207 or 5 CFR part 737 after a final decision by:

§ 906.3 Procedures.

(a) Affirmative Action Plans must be submitted to the Corporation at the following times:

(1) At the time a response is submitted to the Corporation's solicitation for proposals, the response must include an Affirmative Action Plan;

(2) If a property right exceeding 10 percent of the area of the development parcel is made available by the Corporation, but without the Corporation having made a solicitation for proposals, the developer must submit an Affirmative Action Plan within 30 days after the start of negotiations with the Corporation.

(b) Affirmative Action Plans will be reviewed as follows:

(1) Each Affirmative Action Plan submitted to the Corporation will be reviewed by the Corporation's Affirmative Action Officer, or his designee.

(2) In the case of a developer who responds to a solicitation for proposals, the Affirmative Action Plan will be reviewed by the Affirmative Action Officer, and if the Plan is in substantial compliance with the goals set forth in Exhibit A, the Plan and the recommendation of the Affirmative Action Officer will be submitted to the Chairman of the Board for approval prior to the Board's final selection.

(3) In the case of a developer who receives 10 percent or more of the area of a development parcel from the Corporation, the Affirmative Action Plan will be reviewed by the Corporation's Affirmative Action Officer, and if the Plan is in substantial compliance with the goals set forth in Exhibit A, the Plan and the recommendation of the Affirmative Action Officer will be submitted to the Chairman of the Board for approval within 15 days of submission.

(4) The Chairman may approve any Affirmative Action Plan that is not in substantial compliance with the goals set forth in Exhibit A, but for which the developer has documented a genuine effort to meet the goals of the regulations and complied with the spirit of the Corporation's policy.

(5) The Chairman may, in his discretion, submit any Affirmative Action Plan to the Board of Directors for approval, if there is not substantial compliance with the goals set forth in Exhibit A.

(6) The review of the Affirmative Action Plan will determine conformity with The Pennsylvania Avenue Plan—1974, the policy of the Corporation's Board of Directors, and the regulations and guidelines set forth in this subpart A, part 906.

(c) Revisions: (1) The Corporation may require a developer at any time prior to approval of the Affirmative Action Plan to revise the Plan for compliance with the requirements of this subpart.

(2) Each developer required to comply with this subpart must submit for approval an up-dated Affirmative Action Plan at the commencement of

construction, at the commencement of occupancy, and at the commencement of operation or management of any portion of the facility by the developer or a related entity. Each revision of the Affirmative Action Plan must address all the requirements set forth in § 906.4.

(3) The Corporation's Affirmative Action Officer will review all revisions submitted to the Corporation. If the revision is a substantial change from the originally approved Plan, the review procedures set forth in paragraph (b) of this section will be applicable. If the revision submitted is not a substantial change from the originally approved Plan, the Corporation's Affirmative Action Officer may approve the revision.

§ 906.4 Formulation of affirmative action plan.

(a) The developer, in formulating the Affirmative Action Plan, should consider all phases of development from establishment of the development team to operation and management of the development project including each component of the project (e.g., hotel, retail, office, residential). The developer should also consider the personnel profile of project contractors, sub-contractors.

(b) For each phase and each component, the developer should give consideration to creating business and employment opportunities and committed opportunities in the following:

(1) Equity participation;

(2) Professional and technical services such as legal, architectural, engineering, and financial;

(3) Purchasing materials and supplies in connection with construction and operation;

(4) Contracting for construction, operation, and maintenance; and,

(5) Financing, including construction and permanent financing, and other financial and banking services.

§ 906.5 Administration of affirmative action plan.

(a) The developer shall appoint an Affirmative Action Officer, and for projects exceeding \$10 million in cost,

§ 906.6

the person appointed must have affirmative action as a primary responsibility.

(b) The developer shall report to the Corporation periodically its progress in meeting the goals and timetables in its Affirmative Action Plan with respect to its contracting and purchasing plan, leasing plan, and committed opportunities. In meeting the reporting requirements the developer shall:

(1) Count an individual only once for reporting purposes;

(2) Count an individual in the first appropriate category as follows:

(i) Minority Group Member;

(ii) Handicapped Person;

(iii) Woman;

(iv) Vietnam Era Veteran;

(3) Report the dollar amount of contracts and purchases from minority owned businesses including subcontracts;

(4) In the event 10 percent or more of the dollar amount of a contract, subcontract, or purchase from a minority owned business is performed by other than a minority owned business, the developer shall report only the dollar amount performed by the minority owned business.

§ 906.6 Implementation.

(a) Each developer's Affirmative Action Plan will be incorporated into the real estate agreement between the developer and the Corporation.

(b) Each developer shall include a clause requiring a contracting and purchasing plan and a personnel plan in any contract exceeding \$500,000.

(c) Each developer should consider including a clause requiring a contracting and purchasing plan and a personnel plan in any contract less than \$500,000.

(d) In order that the Corporation may be of assistance, and to the extent practical, the developer shall notify the Corporation's Affirmative Action Officer of any failure to meet the approved Affirmative Action Plan.

(e) The Corporation, at the request of the developer, shall provide the developer with assistance for meeting the goals set forth in the Affirmative Action Plan. Such assistance may be provided in the form of lists of minority enterprises, sources for recruiting and

36 CFR Ch. IX (7-1-11 Edition)

advertising, as well as other available information.

§ 906.7 Incentives.

(a) At the request of the developer, the Corporation may agree to deferral of a portion of rental, not to exceed 50 percent, during construction and during the first year of operation following construction of any phase of the development project. Allowable rent deferral during the construction phase will be two percent of the total base rent for each one percent of the value of all construction contracts which have been awarded to Minority Owned Businesses, not to exceed 50 percent. Rent deferral during the first year of operation following construction of any phase of the development project will be four percent for each one percent of total equity owned by minority group members, minority owned businesses, and women.

(b) Following review of Affirmative Action reports submitted to the Corporation pursuant to § 906.5(b), the Corporation will determine the developer's compliance with the goals set forth in the approved Affirmative Action Plan. Compliance with the goals established in the Plan will be measured by adding the percentages reported including overages in each category and dividing that by the number of categories covered in the Plan.

(c) If 75 percent compliance is not achieved during any rent deferral period, the Corporation will afford the developer 120 days to achieve at least that level of compliance. If, at the end of that 120 day period, 75 percent compliance is not achieved, all rental deferral, together with interest, will be due and payable to the Corporation on the 10th day following receipt of written notice that payment of the deferred rent has been accelerated.

§ 906.8 Review and monitoring.

The Corporation, either by its employees, consultants, or other government agency, shall analyze and monitor compliance with the developer's approved Affirmative Action Plan. The Corporation shall rely on the reports submitted by the developer. However:

(a) Further investigation by the Corporation may be undertaken if problems are brought to the attention of the Corporation through any reliable source, or if any formal complaints are filed against the developer that relate to performance of the Affirmative Action Plan; and

(b) The Corporation reserves the right to audit the records of the developer that pertain to any report submitted to the Corporation.

§ 906.9 Voluntary compliance.

The Corporation will encourage any individual or entity not described in § 906.1(c) or (d) to submit and adopt an Affirmative Action Plan on any development project for which the Corporation's review and approval is required to determine conformity of the development project with The Pennsylvania Avenue Plan—1974. Any such Affirmative Action Plan should accompany the development plans.

§ 906.10 Confidentiality.

All information submitted to the Corporation pursuant to this subpart A will be kept confidential, except as availability to the public may be required by the Freedom of Information Act.

Subpart B [Reserved]

EXHIBIT A TO PART 906—SUGGESTED MINIMUM GUIDELINES AND GOALS

The following are suggested for consideration by developers in formulation of minimum affirmative action goals for the development parcel:

(a) Equity participation—10 percent participation by minority group members, women, and minority owned businesses as investors in ownership of the development parcel.

(b) Contracts for professional and technical services—20 percent of the dollar value of the contracts to minority owned businesses.

(c) Persons providing professional or technical services—20 percent should be minority group members, women, handicapped persons, or Vietnam era veterans.

(d) Construction contracting—15 percent of the total dollar value to minority owned businesses. (In order to accomplish this goal, the developer must require that any prime contractor show at least 15 percent minority subcontractors unless the prime contractor is a minority contractor.)

(e) Construction employment should comply with the Washington Plan as a minimum.

(f) Purchasing—20 percent of the dollar value of all purchases of materials and supplies to minority owned businesses.

(g) Hotel employment—20 percent of all hotel employees, 15 percent of all personnel earning an excess of \$2,000 a month (in 1978 dollars), and 60 percent of trainees for hotel positions should be minority group members, women, handicapped persons, or Vietnam era veterans.

(h) Leasing of space—15 percent of the retail space should be targeted for minority enterprises.

(i) Committed opportunities—should be created for professional, technical, construction, hotel, or other type operations where the representation of minority group members, women, or handicapped persons in a field is inconsistent with the demographic profile of the Washington metropolitan area.

EXHIBIT B TO PART 906—GUIDELINES FOR ESTABLISHING STRATEGY TO IMPLEMENT AFFIRMATIVE ACTION PERSONNEL PLAN

The following are suggested as the types of activities to be considered in the development of strategies for the affirmative action personnel plan:

(1) "Vigorous" searching for qualified minority and women applicants for job openings in professional and managerial positions, often including recruitment visits to educational institutions with large minority or female enrollments.

(2) Wide dissemination of affirmative action policy in advertisements and employment literature.

(3) Utilization of minority media in recruitment advertisements.

(4) Notification of job openings to minority community organizations and associations.

(5) Listing of all employment openings with compensation of under \$20,000 per year at a local office of the State Employment Service (or union hiring hall when union labor is required).

(6) Periodic review of minority, female, Vietnam era veteran, and handicapped employees to identify underutilized and unutilized skills and knowledge as well as opportunities for reassignment.

(7) Utilization of merit promotion and on-the-job training programs to create career ladders or otherwise qualify minority, female, Vietnam era veteran, and handicapped employees for advancement.

§ 907.4 Designation of responsible Corporation official.

The Development Director is the Corporation official responsible for implementation and operation of the Corporation's policies and procedures on environmental quality and control.

(a) Coordinate the formulation and revision of Corporation policies and procedures on matters pertaining to environmental protection and enhancement.

(k) Coordinate Corporation efforts to make available to other parties information and advice on the Corporation's policies for protecting and enhancing the quality of the environment.

§ 907.6 Major decision points.

(a) The possible environmental effects of a proposed action or project must be considered along with technical, economic, and other factors throughout the decisionmaking process. For most Corporation projects there are three distinct stages in the decision making process:

- (1) Conceptual or preliminary stage;
- (2) Detailed planning or final approval stage;
- (3) Implementation stage.

(b) Environmental review will be integrated into the decision making process of the Corporation as follows:

§ 907.7

36 CFR Ch. IX (7–1–11 Edition)

(1) During the conceptual or preliminary approval study stage, the responsible Corporation official shall determine whether the proposed action or project is one which is categorically excluded, requires an environmental assessment or an EIS.

(2) Prior to proceeding from the conceptual or preliminary approval stage to the detailed planning or final approval stage, an environmental assessment and the determination as to whether an EIS is required must be completed.

(3) An EIS, if determined necessary, must be completed and circulated prior to the decision to proceed from the detailed planning stage to implementation.

§ 907.7 Determination of requirement for EIS.

Determining whether to prepare an environmental impact statement is the first step in applying the NEPA process. In deciding whether to prepare an environmental impact statement, the responsible Corporation official will determine whether the proposal is one that:

(a) Normally requires an environmental impact statement.

(b) Normally does not require either an environmental impact statement or an environmental assessment (categorical exclusion).

(c) Normally requires an environmental assessment, but not necessarily an environmental impact statement.

§ 907.8 Actions that normally require an EIS.

PADC shall perform or have performed an environmental assessment to determine if a proposal requires an environmental impact statement. However, it may be readily apparent that a proposed action will have a significant impact on the environment; in such cases, an environmental assessment is not required and PADC will immediately begin to prepare or have prepared the environmental impact statement. To assist in determining if a proposal or action normally requires the preparation of an environmental impact statement, the following criteria and categories of action are provided.

(a) *Criteria.* Criteria used to determine whether or not actions or proposals may significantly affect the environment and therefore require an environmental impact statement are described in 40 CFR 1508.27 of the CEQ Regulations and as follows:

(1) Buildings or facades designated for retention in the Plan will be adversely affected by the proposal or action.

(2) Traffic generated by the proposal or action would represent a substantial increase over the traffic projections assessed in the Final EIS in the average daily traffic volume on avenues and streets within the Development Area or its environs;

(3) Air quality in the Development Area and its environs would be substantially affected by the proposal or action based upon the District of Columbia's adopted standard for hydrocarbons and carbon monoxide;

(4) Solid waste disposal generated by a project of the Corporation or of a developer who is constructing, reconstructing, or rehabilitating that project, would have an adverse effect on the capacity of the relevant solid waste disposal facility and compliance with "Solid Waste Management Guidelines" of the U.S. Environmental Protection Agency and related local and regional controls;

(5) Public utilities have insufficient capacity to provide reliable service to a project within the Development Area; and

(6) A project will be inconsistent with major elements of the Zoning Regulations of the District of Columbia as they are applicable to the Development Area.

(b) *Categories of action.* The following categories of action normally require an environmental impact statement:

(1) Amendments or supplements to the Plan that constitute a "substantial change" to the Plan as defined in 40 U.S.C. 874(c) of the Act.

(2) Acquisition or disposal of real property by the Corporation *not* related to any specific decision, plan, or program adopted by the Board of Directors of the Corporation for which an environmental assessment or an assessment and an EIS has been prepared.

(3) Legislative proposals made to Congress.

(4) Funding and/or construction by the Corporation or its agents or representatives of any building, if that activity is not consistent with the Plan and the Final EIS.

§ 907.9 Preparation of an EIS.

(a) *Notice of intent.* When PADC decides to prepare an environmental impact statement, it shall publish a notice of intent in the FEDERAL REGISTER in accordance with 40 CFR 1501.7 and 1508.22 of the CEQ Regulations.

(b) *Preparation.* After determining that an environmental impact statement will be prepared and publishing the notice of intent, PADC will begin to prepare or have prepared the environmental impact statement. Procedures for preparing the environmental impact statement are set forth in 40 CFR part 1502, CEQ Regulations.

(c) *Supplemental environmental impact statements.* PADC may supplement a draft or final environmental impact statement at any time. PADC shall prepare a supplement to either the draft or final environmental impact statement when (1) substantial changes are proposed to an action contained in the draft or final EIS that are relevant to environmental concerns or there are significant new circumstances or information relevant to environmental concerns and bearing on the proposed action or its impacts; or (2) actions are proposed which relate or are similar to other action(s) taken or proposed and that together will have a cumulatively significantly impact on the environment.

§ 907.10 Categorical exclusion.

The CEQ Regulations provide for the categorical exclusion (40 CFR 1508.4) of actions that do not individually or cumulatively have a significant effect on the human environment. Therefore, neither an environmental assessment nor an environmental impact statement is required for such actions.

(a) *Criteria.* Criteria used to determine those categories of action that normally do not require either an environmental impact statement or an environmental assessment include:

(1) The action or proposal is consistent with the Plan or the Act, and the environmental effects have been previously analyzed in the Final EIS, a supplement thereto, or in an environmental assessment or an EIS previously prepared; or

(2) The total estimated cost directly attributable to the action or proposal does not exceed \$500,000; or

(3) The action or proposal is related solely to internal administrative operations of the Corporation.

(b) *List of categorical exclusions.* Categories of action, identified in appendix A (attached) have been determined by PADC to have no significant effect on the human environment and are therefore categorically excluded from the preparation of environmental impact statements and environmental assessments.

(c) *Changes to the list of categorical exclusion.* (1) The PADC List of Categorical Exclusion will be continually reviewed and refined as additional categories are identified and as experience is gained in the categorical exclusion process.

(2) Additional categories of exclusion identified will be submitted to the Chairman of the Board of Directors for review and approval, and for amendments to this part, following public comment and review by the Council on Environmental Quality.

§ 907.11 Actions that normally require an environmental assessment.

If a proposal or action is not one that normally requires an environmental impact statement, and does not qualify for categorical exclusion, PADC will prepare or have prepared an environmental assessment.

(a) *Criteria.* Criteria used to determine those categories of action that normally require an environmental assessment, but not necessarily an environmental impact statement, include:

(1) Potential for minor degradation of environmental quality;

(2) Potential for cumulative impact on environmental quality; and

(3) Potential for impact on protected resources.

(b) *Categories of action.* The following categories of action normally require

§ 907.12

36 CFR Ch. IX (7-1-11 Edition)

the preparation of an environmental assessment.

(1) Amendments to the Plan that do not constitute a “substantial change” to the Plan.

(2) Regulations promulgated by the Corporation that have significant environmental impact on the public or persons residing in the development area including businesses.

(3) Development proposals submitted to the Corporation by private developers that are consistent with the Plan and General Guidelines prepared by the Corporation.

(4) Activities related to the Public Improvements Program of the Corporation for which no previous environmental assessment or EIS has been prepared.

(5) Contracts, work authorizations, and master agreements related to and implementing programs, policies, and proposals not categorically excluded and for which no environmental assessments or for which no environmental assessment and EIS have been previously prepared.

(6) Street closures and other rearrangements of public space which were not covered in the Plan or the Final EIS.

(7) Acquisition/disposal of personal property by the Corporation not related to any specific decision, plan, or program adopted by the Board of Directors of the Corporation for which an environmental assessment or an environmental assessment and an EIS is required to be prepared.

(8) Proposed construction of any public building within the development area by any executive agency of the United States Government, any agency or department of the District of Columbia Government, or any other public or quasi-public entity.

§ 907.12 Preparation of an environmental assessment.

(a) *When to prepare.* PADC will begin the preparation of an environmental assessment as early as possible after it is determined by the responsible corporation official to be required. PADC may prepare an environmental assessment at any time to assist planning and decision-making.

(b) *Content and format.* An environmental assessment is a concise public document used to determine whether to prepare an environmental impact statement. An environmental assessment aids in complying with the Act when no environmental impact statement is necessary, and it facilitates the preparation of an environmental impact statement, if one is necessary. The environmental assessment shall contain brief discussions of the following topics:

(1) Purpose and need for the proposed action.

(2) Description of the proposed action.

(3) Alternatives considered, including the No Action alternative.

(4) Environmental effects of the proposed action and alternative actions.

(5) Listing of agencies, organizations or persons consulted.

(6) In preparation of the environmental assessment, the most important or significant environmental consequences and effects on the areas listed below should be addressed. Only those areas which are specifically relevant to the particular proposal should be addressed. Those areas should be addressed in as much detail as is necessary to allow an analysis of the alternatives and the proposal. The areas to be considered are the following:

(i) Natural/ecological features (such as floodplain, wetlands, coastal zones, wildlife refuges, and endangered species);

(ii) Air quality;

(iii) Sound levels;

(iv) Water supply, wastewater treatment and water runoff;

(v) Energy requirements and conservation;

(vi) Solid waste;

(vii) Transportation;

(viii) Community facilities and services;

(ix) Social and economic;

(x) Historic and aesthetic; and

(xi) Other relevant factors.

(c) *Finding of no significant impact.* If PADC completes an environmental assessment and determines that an environmental impact statement is not required, then PADC shall prepare a finding of no significant impact. The finding of no significant impact shall be

made available to the public by PADC as specified in 40 CFR 1506.6 of the CEQ Regulations.

§ 907.13 Public involvement.

Interested persons may obtain information concerning any pending EIS or any other element of the environmental review process of the Corporation by contacting the Public Information Officer of the Corporation, 1331 Pennsylvania Avenue, NW, Suite 1220 North, Washington, DC 20004, telephone (202) 566-1218.

§ 907.14 Corporation decision making procedures.

To ensure that at major decision making points all relevant environmental concerns are considered by the Decision Maker, the following procedures are established.

(a) An environmental document, i.e., the EIS, Environmental Assessment, Finding of No Significant Impact, or Notice of Intent, in addition to being prepared at the earliest point in the decision making process, shall accompany the relevant proposal or action through the Corporation's decision making process to ensure adequate consideration of environmental factors.

(b) The decision maker shall consider in its decision making process only those decision alternatives discussed in the relevant environmental documents. Also, where an EIS has been prepared, the decision maker shall consider all alternatives described in the EIS. A written record of the consideration of alternatives during the decision making process shall be maintained.

(c) Any environmental document prepared for a proposal or action shall be made part of the record of any formal rulemaking by the Corporation.

§ 907.15 Approval of private development proposals.

(a) Each development proposal submitted by a private developer to the Corporation for its approval, unless categorically excluded, shall require, at a minimum, an environmental assessment.

(b) The Board of Directors may not take any approval action on a submitted development proposal of a private developer until such time as the appropriate environmental review has been prepared and submitted to the Board of Directors.

(c) At a minimum, and as part of any submission made by a private developer to the Board of Directors for its approval, a private developer shall make available data and materials concerning the development proposal sufficient to permit the Corporation to carry out its responsibilities on environmental review. When requested, the developer shall provide additional information that the Corporation believes is necessary to permit it to satisfy its environmental review functions.

(d) As part of a development proposal submission, a private developer may submit an environmental assessment on its development proposal.

(e) Where the responsible Corporation official determines that the preparation of an EIS is required, the EIS shall be prepared in accordance with part 1502 of the CEQ Regulations. Subpart A—General

§ 908.1 Policy.

One of the goals of The Pennsylvania Avenue Plan—1974, as amended, (*The Plan*) is the reduction of hardships experienced by businesses and residents within the development area of the Pennsylvania Avenue Development Corporation (*the Corporation*) when they are displaced as a result of implementation of The Plan. It is the policy of the Corporation to provide displaced businesses and residents with a preferential opportunity to relocate within the development area so that they may share in the benefits brought to the area by the implementation of The Plan. This rule shall not be construed to affect the eligibility, rights or responsibilities of persons who may be entitled to benefits provided under the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 as implemented by the Corporation (36 CFR part 904).

§ 908.2 Purpose.

The purpose of this rule is to:

- (a) Provide a meaningful opportunity to businesses displaced by the Corporation's program to return to, or remain in, the Development Area;
- (b) Establish procedures and requirements for displaced occupants by which they may establish and later exercise their preferential right to return to the Development Area;
- (c) Establish procedures which the Corporation and private Developers must follow in providing Qualified Persons with the opportunity to obtain their preferential right to return to the Development Area.

§ 908.3 Definitions.

The following definitions shall apply to this part:

has been prepared and will be implemented by the Corporation.

(c) *List* means the List of Qualified Persons maintained by the Corporation as provided in § 908.11(a) of this rule.

(d) *Newly developed space* means any leaseable part of a new building in the Development Area upon which construction was commenced after October 27, 1972 or an existing building in the Development Area which after October 27, 1972 underwent substantial remodeling, renovation, conversion, rebuilding, enlargement, extension or major structural improvement, but not including ordinary maintenance or remodeling or changes necessary to continue occupancy.

(e) *Person* means a partnership, company, corporation, or association as well as an individual or family, but does not include a department, agency, or instrumentality of any Federal, state, or local government.

(f) *Previous location* means the space from which the Eligible Person was or is being displaced as a result of the Corporation's or Developer's acquisition of real property, or as a result of receiving a written order to vacate from the Corporation.

However, no Person shall be denied placement on the List because such placement was not requested within one year of displacement.

§ 908.12 Retention on the List of Qualified Persons.

(a) Once placed on the List, the Corporation shall keep a Person on the List until:

§ 909.150 Program accessibility: Existing facilities.

(a) *General.* The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by handicapped persons;

(2) In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 909.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that handicapped persons receive the benefits and services of the program or activity.

(b) *Methods*—(1) *General*. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by handicapped persons. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in mak-

ing alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified handicapped persons in the most integrated setting appropriate.

(2) *Historic preservation programs*. In meeting the requirements of § 909.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to handicapped persons. In cases where a physical alteration to an historic property is not required because of § 909.150(a)(2) or (a)(3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide handicapped persons into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

(c) *Time period for compliance*. The agency shall comply with the obligations established under this section by October 21, 1986, except that where structural changes in facilities are undertaken, such changes shall be made by August 22, 1989, but in any event as expeditiously as possible.

(d) *Transition plan*. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by February 23, 1987, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including handicapped persons or organizations representing handicapped persons, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

§ 909.151

(1) Identify physical obstacles in the agency's facilities that limit the accessibility of its programs or activities to handicapped persons;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

§ 909.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by handicapped persons. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151-4157), as established in 41 CFR 101-19.600 to 101-19.607, apply to buildings covered by this section.

§§ 909.152-909.159 [Reserved]

§ 909.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford a handicapped person an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the handicapped person.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf person (TDD's) or equally effective telecommunication systems shall be used.

36 CFR Ch. IX (7-1-11 Edition)

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 909.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, handicapped persons receive the benefits and services of the program or activity.

§§ 909.161-909.169 [Reserved]

§ 909.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs or activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section

504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Executive Director shall be responsible for coordinating implementation of this section. Complaints may be sent to the General Counsel, Pennsylvania Avenue Development Corporation, 1331 Pennsylvania Avenue, NW., Suite 1220 North, Washington, DC 20004-1730.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157), or section 502 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 792), is not readily accessible to and usable by handicapped persons.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found; and

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §909.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.

(j) The head of the agency shall notify the complainant of the results of

the appeal within 60 days of the receipt of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

SOURCE: 48 FR 36642, Aug. 23, 1982, unless otherwise noted.

Subpart A—General

§910.1 Policy.

(a) The Pennsylvania Avenue Development Corporation Act of 1972, Pub. L. 92-578, October 27, 1972, (the *Act*), (40 U.S.C. 871 *et seq.*) established the Pennsylvania Avenue Development Corporation (the *Corporation*) with jurisdiction over the Pennsylvania Avenue Development Area (*Development Area*). The Development Area is generally described as an area in Washington DC, bounded by Pennsylvania Avenue, NW., on the south, East Executive Drive on the west, 3rd Street, NW., on the east, and E and F Streets, NW., on the north.

(b) Prior to creation of the Corporation, the deterioration of the Development Area had an adverse impact upon the physical, economic, and social life of Washington, DC. The Corporation was created as the vehicle to develop, maintain, and use the Development Area in a manner suitable to its ceremonial, physical, and historic relationship to the legislative and executive branches of the Federal government, to

36 CFR Ch. IX (7-1-11 Edition)

the governmental buildings, monuments, memorials, and parks in and adjacent to that area, and to the downtown commercial core of Washington, DC. The Corporation was directed to prepare a development plan for the Development Area and to submit that plan to the United States Congress. Congress accepted that plan and directed its implementation by the Corporation. The Corporation through a broad range of statutory powers has begun this implementation process.

(c) The Pennsylvania Avenue Plan—1974, as amended (*the Plan*) is a blueprint for social, economic, and architectural rejuvenation of the Development Area. Its goal is to make the Development Area once again a relevant and contributing element of Washington, DC. With the implementation of *the Plan*, the Development Area will become a showpiece of the Nation's Capital, proudly displaying the successful joint efforts of the Corporation, other Federal and District of Columbia government agencies, and private entrepreneurs.

(d) *The Plan*, containing the goals and objectives for *development*, is supplemented by various adopted policies and programs of the Corporation. *The Plan*, in conjunction with these policies and programs, represents the basis upon which the *development* and rejuvenation of the Development Area will proceed, whether publicly or privately inspired and accomplished. These policies and programs amplify, elaborate, and refine the planning and urban design concepts expressed in *the Plan*.

§910.2 Purpose.

(a) Implementation of *the Plan* occurs through two component actions: public improvements construction and square development. Public improvements construction consists of implementation by the Corporation of the Public Improvements Program which is a comprehensive plan for the design and construction of public amenities in public spaces and selected thoroughfares within the Development Area. This program outlines the details of roadway and sidewalk improvements, public space configuration, and pedestrian amenities. Square development consists of design and construction of

development projects primarily on city blocks, known as squares, within the Development Area. These *development* projects are generally pursued by private entrepreneurs with varying degrees of participation and involvement by the Corporation, through such means as land assemblage and leasing.

(b) This part 910, together with the *Square Guidelines* applicable to the *coordinated planning area*, pertains solely to square development and specifies the controlling mechanism for implementation of *the Plan* required by Chapter Six of *the Plan*.

§910.3 Program administration.

(a) This part 910, together with *Square Guidelines*, described below, provides interested parties with the urban planning and design information sufficient to understand and participate in the process of square development within the Development Area.

(1) This part 910, General Guidelines and Uniform Standards for Urban Planning and Design of Development, sets forth the general planning and design goals and objectives which govern the implementation of *the Plan*, specifies standards which are uniformly applicable to all *developments* throughout the Development Area, and provides a glossary of defined terms applicable to this part as well as *Square Guidelines*.

(2) *Square Guidelines* specifies detailed urban planning and design requirements and recommendations which are applicable to each particular *coordinated planning area*, a *coordinated planning area* being a square, a portion of a square, or a combination of squares. These requirements and recommendations set forth intentions and refinements of *the Plan* in light of the identified Planning and Design Concerns specified in subpart B of this part 910. Each set of *Square Guidelines* is adopted by the Board of Directors, issued by the Chairman, and is available, upon request, at the Corporation's office.

(3) *Square Guidelines* are developed in the context of the existing environment. Several provisions in the *Square Guidelines* are, therefore, established on the basis of certain assumptions in terms of existing buildings, a particular traffic pattern and roadway configuration, a market condition for a

particular land use, etc. In the event of a major change or casualty which would render it impossible or impracticable to meet certain requirements of *Square Guidelines*, the Corporation would expect to develop and issue up-to-date *Square Guidelines*. This statement does not, of course, preclude the Corporation from issuing amendments to *Square Guidelines* from time to time on any other basis.

(b) Pursuant to section 7(b) of the Act, each proposal for *development* within the Development Area must be submitted to the Corporation to determine its consistency with *the Plan*. The Corporation's adopted development policy, entitled "Development Policies and Procedures," sets forth the process for this determination. In determining whether a *development* proposal is consistent with *the Plan*, the Corporation shall review the proposal against all adopted Corporation programs, policies, and regulations, including:

- (1) This part 910.
- (2) Square Guidelines.
- (3) Development Policies and Procedures.
- (4) Historic Preservation Plan.
- (5) Energy Guidelines.
- (6) Side Street Improvements Program.
- (7) Policy on Environmental Quality and Control (36 CFR part 907).
- (8) Pennsylvania Avenue Lighting Plan.
- (9) Public Improvements Program.
- (10) Affirmative Action Policy and Procedure (36 CFR part 906).
- (11) Policy and Procedures to Facilitate Successful Relocation of Businesses and Residents within the Pennsylvania Avenue Development Area.
- (12) All other programs, policies, and regulations that may be approved and adopted by the Board of Directors from time to time.

(c) Pursuant to the Act, Federal and District of Columbia agencies and departments may exercise such existing authority and lawful powers over urban planning and design features of *development* as are consistent with *the Plan*. No department or agency may release, modify, or depart from any feature of *the Plan* without the prior approval of the Corporation.

Subpart B—Urban Planning and Design Concerns

§910.10 General.

To facilitate review of each *development* proposal in light of the identified urban planning and design goals of *the Plan*, the following urban planning and design concerns will be the basis upon which the evaluation of such proposals will be made. These concerns are also more specifically reflected in subpart C of this Rule, and in the requirements and recommendations in *Square Guidelines*.

- (a) Comprehensive planning and design;
- (b) Development density;
- (c) Urban design of Washington, DC;
- (d) Historic preservation;
- (e) New development design;
- (f) Land use;
- (g) Pedestrian circulation systems;
- and
- (h) Vehicular circulation and storage systems.

§910.11 Comprehensive urban planning and design.

(a) All new *development* is conceived as an integral part of its surroundings, which include the remainder of the Development Area, the Mall, the Federal Triangle, and the District's downtown, and should support Pennsylvania Avenue's function as a bridge between the monumental Federal core to the south and the District's downtown to the north.

(b) All *development* shall be planned and designed to accommodate the requirements and needs of historic preservation, affirmative action, business relocation, and other concerns which will affect the overall planning and design of a *development*.

(c) The design of any *development* shall take into account *the Plan's* proposed future treatment of buildings, squares, and pedestrian spaces in the immediate surrounding area.

(d) The design of any *development* shall be coordinated with the massing, architectural design, servicing, pedestrian amenities, and uses of nearby *development* as prescribed under *the Plan*.

(e) Any *development* adjacent to F Street, NW. shall be accomplished in a

manner that will strengthen F Street as a retail core of Washington, DC.

(f) Any *development* along Pennsylvania Avenue shall be designed so as to support the transformation of the Avenue into an attractive and pleasant place for residents and visitors alike, offering pleasant places to stroll, rest, sit and talk, eat, and shop.

(g) All *development* within a *coordinated planning area* shall, to the maximum extent possible, be integrated with regard to the off-street loading and servicing, pedestrian features.

§910.12 Development density.

(a) Land would be developed to the fullest extent appropriate in terms of uses, economics, and design so that the city's economic life and tax base can be enhanced.

(b) New *development* shall be designed to achieve maximum development density within the building envelope delineated by specific height restrictions, but shall also establish a compatible and appropriate scale for historic preservation, residential and other uses, and other urban design elements.

(c) Development density is limited by the Zoning Regulations of the District of Columbia and may be further restricted by the Corporation in specific *coordinated planning areas*, provided that any lower density would be economically feasible. Generally, *the Plan* is structured to create high density *development* west of the FBI and lower density *development* east of the FBI.

(d) The density of new *development* should bring new economic life—jobs, shopping, and business opportunities—to Pennsylvania Avenue, while also reinforcing existing activity both on the Avenue and in the adjacent downtown, both within and beyond the Development Area.

§910.13 Urban design of Washington, DC.

(a) Pennsylvania Avenue's unique role as the physical and symbolic link between the White House and the U.S. Capitol should be reinforced by new *development* along it.

(b) To reinforce and enrich the legacy of the L'Enfant Plan, the primary function of new *development* in the Development Area is to define open spaces and

plazas, or to reinforce vistas along major streets and thoroughfares.

§ 910.14 Historic preservation.

(a) The Development Area is located almost entirely within the Pennsylvania Avenue National Historic Site, which was established to preserve the exceptional values of Pennsylvania Avenue and its environs in commemorating or illustrating the history of the United States. The Pennsylvania Avenue Area achieves national historic significance because of both its ceremonial role in the life of the nation and its social and economic role in the life of the residents of Washington for more than a century.

(b) The Historic Preservation Plan of the Corporation sets forth the adopted policy of the Corporation on historic preservation and *development* within the Development Area must be consistent with this policy.

(c) New construction adjacent to historic structures will be required to take into account the qualities of the adjacent structures (with regard to height, scale, proportion, rhythm, texture, materials, architectural detail, and the amount of variety among the structures with respect to these qualities as well as style and date of erection) to ensure that these structures maintain their historic or architectural integrity, but will not necessarily be required to conform to them.

(d) Wholly new construction and new construction in conjunction with preservation will, where appropriate, take into account the historic buildings to remain, aiming for the highest quality of contemporary design, consistent with the goals and objectives of the Historic Preservation Plan.

§ 910.15 New development design.

(a) All new *development* shall represent the best contemporary architectural and urban planning concepts.

(b) Where new *development* includes or relates to historic or architecturally meritorious buildings which are to be preserved, the design of the new *development* should be aimed at retaining as much of the significant fabric of the Development Area as is possible consistent with the goals of the *Plan*.

§ 910.16 Land use.

(a) *Development* within the Development Area shall provide, and stimulate in neighboring areas, more lively and varied shopping, cultural, entertainment, and residential opportunities, as well as high quality office uses.

(b) That portion of the Development Area west of the FBI Building is designated for commercial *development*, primarily office and hotel uses with attendant retail and service uses. That portion of the Development Area east of the FBI Building is designated for *development* with residential uses, office, institutional and entertainment uses supported by service and retail uses.

(c) The kinds of uses and their location within the Development Area shall be directly related to creating a lively atmosphere and to promoting an active street life throughout the day, evening, and weekend.

(d) Introduction or expansion of retail uses shall be encouraged as both reinforcement of existing retail uses and creation of new retail activities.

(e) While recognized as important to the commercial life of any inner city, uses that do not generate lively activities are discouraged from locating along those street fronts within the Development Area which are considered major pedestrian thoroughfares.

§ 910.17 Pedestrian circulation system.

(a) An efficient, pleasant, and stimulating pedestrian circulation system shall be developed to link the components of the Development Area with the Mall and the city's downtown.

(b) Pedestrian circulation systems shall be designed to provide pedestrian comfort and convenience, to create more linear footage of *storefront*, to encourage recognition of the location of various METRO stops or other mass transit locations, and to link various historic and architecturally significant buildings, sites, and monuments which are scattered throughout and beyond the Historic Site.

(c) Curb cuts across the north sidewalk areas of Pennsylvania Avenue shall be prohibited in order to reinforce its importance as the major pedestrian thoroughfare of the Development Area.

§910.18

§910.18 Vehicular circulation and storage systems.

(a) Improvement of the existing vehicular storage and circulation system is necessary in order to create the balanced transportation system called for in *the Plan*, which recognizes the need to maintain air quality, to encourage the use of mass transit, and to provide sufficient off-street parking and loading to make development economically viable.

(b) The general policies of the Corporation are as follows:

(1) To reduce impedance to traffic movement created by service vehicles by requiring well-integrated off-street loading facilities in terms of location of loading berths and access points on a block-by-block basis;

(2) To control the number of vehicles in the Development Area by limiting the number of parking spaces per *development*; and

(3) To encourage the use of public transportation by linking new *development* to transit stops through the system of pedestrian ways.

Subpart C—Standards Uniformly Applicable to the Development Area

§910.30 General.

In addition to the specific requirements and recommendations contained in *Square Guidelines* for the applicable *coordinated planning area*, the Standards set forth in this subpart C are uniformly applicable to any *development* within the Development Area.

§910.31 High architectural quality.

Development must maintain a uniformly high standard of architecture, representative of the best contemporary design and planning concepts. Great care and sensitivity must be shown in the architectural treatment of new buildings, particularly in terms of massing, facade design (including materials, composition, and detailing), the ground floor and sidewalk pedestrian environment, interior public spaces, and provisions for pedestrian and vehicular access. Special design considerations for each *coordinated*

36 CFR Ch. IX (7–1–11 Edition)

planning area are set forth in *Square Guidelines*.

§910.32 Historic preservation.

Rehabilitation of buildings within the Development Area, which, according to *the Plan* and the Historic Preservation Plan of the Corporation, are specified for preservation, shall be accomplished (a) in accordance with the Secretary of the Interior's "Standards for Historic Preservation Projects": (36 CFR part 68), and (b) consultation with the State Historic Preservation Officer for the District of Columbia.

§910.33 Off-street parking.

(a) Off-street parking as a principal use is prohibited, although off-street parking as an accessory use in a *development* (such as a below-grade parking garage) is permitted.

(b) All parking spaces shall be located below grade level.

(c) The minimum number of parking spaces shall be provided in accordance with DC Zoning Regulations.

(d) The maximum number of parking spaces permitted by PADC for a *development* may not exceed the aggregate of the number of spaces allowed for each use within the *development*. The schedule of limitations for parking spaces is as follows:

(1) Hotel: One parking space for each four sleeping rooms or suites;

(2) Places of public assemblage other than hotels: (i.e., arena, armory, theater, auditorium, community center, convention center, concert hall, etc.) one parking space for each ten seats of occupancy capacity for the first 10,000 seats plus one for each 20 seats above 10,000: Provided, that where seats are not fixed, each seven square feet of *gross floor area* usable for seating shall be considered one seat;

(3) Retail, trade, and service establishments: one parking space for each 750 square feet of *gross floor area*;

(4) Residential: One parking space for each 1.2 units;

(5) Offices: One parking space for each 1,800 square feet of *gross floor area*.

§ 910.34 Accommodations for the physically handicapped.

(a) Every *development* shall incorporate features which will make the *development* accessible by the physically handicapped. The standards in the "American Standard Specifications for Making Buildings and Facilities Accessible to, and Usable by the Physically Handicapped," published by the American National Standards Institute, Inc. (ANSI A 117.1-1961 (1971)), are recommended.

(b) Where a *development* includes a historic structure, the Advisory Council on Historic Preservation's policy, "Supplementary Guidance—Handicapped Access to Historic Properties," (45 FR 9757, Feb. 13, 1980), should be observed.

§ 910.35 Fine arts.

Fine arts, including sculpture, paintings, decorative windows, bas-reliefs, ornamental fountains, murals, tapestries, and the like, should be included in each *development*. PADC encourages commissions for original works of art which are appropriate for the *development*. For information and guidance, a reasonable expenditure for fine arts is deemed to be one half of one percent of the total construction cost of the *development*.

§ 910.36 Energy conservation.

All new *development* shall be designed to be economical in energy consumption. The Energy Guidelines of the Corporation, and the District of Columbia Energy Conservation Code Act of 1979 and its implementing regulations set forth the appropriate standards to be observed.

§ 910.37 Fire and life safety.

As a complementary action to satisfying required District of Columbia codes related to fire safety, it is highly recommended that all new *development* be guided by standards of the NFPA Codes for fire and life safety and that all buildings be equipped with an approved sprinkler system.

§ 910.38 Building exterior illumination.

Exterior illumination of a building shall be in conformance with the stand-

ards specified in the Pennsylvania Avenue Lighting Plan of the Corporation.

Subpart D—Glossary of Terms

§ 910.50 General.

The definitions appearing in this Glossary of Terms are applicable to this part 910 and to the *Square Guidelines*. In addition, definitions appearing in section 1201 of the Zoning Regulations of the District of Columbia are also applicable. Where a conflict between this subpart and section 1201 of the Zoning Regulations arises in terminology or interpretation, this subpart shall be controlling.

§ 910.51 Access.

Access, when used in reference to parking or loading, means both ingress and egress.

§ 910.52 Buildable area.

Buildable area means that portion of the established *development parcel* which can be devoted to buildings and structures. Generally, this area is bounded by any applicable *building restriction lines*, right-of-way lines and *development parcel lines*. It shall be the *buildable area* of a *development parcel* rather than "lot," as it is established in the DC Zoning Regulations, that will be utilized to establish the maximum *gross floor area* of a *development* within specified portions of the Development Area.

§ 910.53 Building restriction line.

Building restriction line means a line beyond which an exterior wall of any building of a *development* may not be constructed or project, except that architectural articulation, minor architectural embellishments, and sub-surface projections are permitted.

§ 910.54 Build-to height.

Build-to height means a specified minimum *height of development* to which the exterior wall of a building in a *development* must rise. Minor deviations from the *build-to height* for architectural embellishments and articulations of the cornice and roof level are permitted, unless otherwise prohibited by the applicable Square Guidelines or the

§910.55

District of Columbia's codes and regulations.

§910.55 Build-to line.
